

To:

I hope you will take the time to let us show you how parables really work and how they fit into the lost gospels as well. There truly is a hidden message that stretches across time... This is worth checking into. Jesus spoke in Parables, but it was more than just a parable He was speaking. It was a Language... a Parabolic Language and all the Writers of the Canon, Lost Prophets (Books), Book of Enoch, Gospel of Thomas the Apocrypha along with others... All spoke this same Language. Know the Language then you will know what is or what is not inspired. ... We at Scriptural-Truth.com help others to recognize His Language, His Parabolic Language... There is two sides of the scriptures, one lower (earthly, literal) and one higher (spiritual, parabolic) meaning. The two edged sword of the Word of God, it cuts one way (lower, earthly) and then it cuts other way (higher, spiritual)... and the lower earthly meaning are where everybody is teaching from today... It is all they have been taught...We are here to reveal the higher level of understanding of the Scriptures.

{Luke 11:52 KJV... Woe unto you, lawyers (Early Christian church leaders)! for ye have taken away the key of knowledge (the parabolic understanding of the scriptures, which show the mysteries of the Kingdom): ye entered not in yourselves, and them that were entering in ye hindered.} We are here to give these KEYS back to the church. { Mark 4:11 And he said unto them, Unto you (Disciples) it is given to know the mystery of the Kingdom of God: but unto them (everybody else) that are without (i.e.; Me, Jesus), All these things are done in parables:}

In the Book of Jude, he speaks of infiltrators of the church. These infiltrators did get into the church and they remove the Parabolic Keys of Knowledge. At our website we show you how Jesus explained how parables work. Also we will show you how to find the Keys (Parabolic Keys, code) on your own. The Bible KJV will give you these Keys if you know what to look for. This understanding was taken from the church about 2000 years ago. This Parabolic understanding is the more sure word of prophesy (2 Peter 1:19)...

(He who has ears to hear) That means a man who hears both levels of scripture... with both TWO ears. So check out our website.

This is not OUR interpretation of parables... We are giving you the Keys or (code) to unlocking the scriptures. By knowing the code (Keys) We will not have to tell you what the parables mean... You will see it for yourself... The church as we know it today has its own opinion (Each denomination different) of what is inspired including Lost Books like the Gospel of Thomas or The Book of Enoch. We can show you whether they are or not inspired. Parables are more than just a parable it is a language that all the Apostles, Christ plus the old, lost and denied Prophets, they all spoke the Language of Parables.

These Keys (code) will unlock The Gospel of Thomas, the Book of Enoch, Along with The Apocrypha the Bible and many others and they will be extremely understandable. Language of Parables = The Inspired Word of God. Jesus said: man shall not live by bread (canonized scripture) alone but by Every Word that proceeds from the mouth of God. (which includes all the lost and denied Scriptures)

If you pride yourself on knowing the Scriptures you should look at this, because this understanding is growing fast. Right now people are looking at over 15000 pages a month on our website with the average time of over 4 minutes per visit. People truly are understanding The Language of Parables.

Sincerely and God Bless You.
